## Vol. 2 No. 2 June 2025

**INTERNATIONAL JOURNAL OF MECHANICAL, INDUSTRIAL AND  
CONTROL SYSTEMS ENGINEERING  
VOLUME 2 NUMBER 2 JUNE 2025**

**FOCUS AND SCOPE OF THE JOURNAL**

**International Journal of Mechanical, Industrial and Control Systems Engineering.** This journal is published by the Asosiasi Riset Ilmu Teknik Indonesia. This journal is a peer-reviewed and open research journal of the Engineering Science Clump. The fields of study in this journal include the sub-groups of Civil Engineering and Spatial Planning, Engineering, Electrical and Computer Engineering, Earth and Marine Engineering. Articles submitted will go through a selection process for bestari partners and/or editors. This journal is published 1 year 4 times (March, June, September, December)

**International Journal of Mechanical, Industrial and Control Systems Engineering.** Articles published in the Proceedings of the International Journal of Mechanical, Industrial and Control Systems Engineering include original scientific research results (priority), new scientific review articles (not priority), or comments or criticisms of articles in the International Journal of Mechanical, Industrial and Control Systems Engineering. International Journal of Mechanical, Industrial and Control Systems Engineering accept manuscripts or articles from various academics and researchers, both nationally and internationally.

Articles published in the journal are articles that have gone through a peer-review process by Partners. Proceedings of the International Journal of Mechanical, Industrial and Control Systems Engineering only accepts articles originating from original research results (priority) and new scientific review articles (non-priority). The decision to accept or reject scientific articles in this journal is the right of the Editorial Board based on the recommendations of Reviewer Partners.

**JOURNAL INDEXATION INFORMATION**

**International Journal of Mechanical, Industrial and Control Systems Engineering** with E-ISSN: 3047-4566 and P-ISSN: 3047-4558 : <https://international.aritekin.or.id/index.php/IJMICSE> is a peer-reviewed journal that has been indexed in several reputable indexers, including: Google Scholar; Garuda Rujukan Digital (GARUDA); Copernicus; Dimensions; Connecting Research and Researchers (ORCID); DOI Crossref.

**FOREWORD**

International Journal of Mechanical, Industrial and Control Systems Engineering. This journal is published by the Asosiasi Riset Ilmu Teknik Indonesia. This journal is a peer-reviewed and open research journal of the Engineering Science Clump. The fields of study in this journal include the sub-groups of Civil Engineering and Spatial Planning, Engineering, Electrical and Computer Engineering, Earth and Marine Engineering. Articles submitted will go through a selection process for bestari partners and/or editors. This journal is published 1 year 4 times (March, June, September, December)

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature reviews, case reports and concept/policy articles, in all Proceedings of the International Journal of Mechanical, Industrial and Control Systems Engineering accept articles in English and Indonesian. Articles to be published are original works and have not been published before. Entry articles will be reviewed by internal and external review teams. International Journal of Mechanical, Industrial and Control Systems Engineering accept articles in English and Indonesian.

The Editorial Board will strive to continuously improve the quality of this journal so that it can become a valuable reference for the development of scientific knowledge. We extend our deepest appreciation and gratitude to the reviewers, members of the Editorial Board, and all parties involved in the publication of this journal.

Greetings

Editor-in-Chief
